Praise God from whom all blessings flow! The Lord is good, His mercy is everlasting, and His truth endures to all generations. The Men of Bethel will celebrate Men’s Day this month. Men’s Day is a church wide celebration. All men are asked to participate and women and members as well as friends of the church are asked to be supportive. Everyone is asked to share in a sacrificial donation of \$100 for this special effort. Join our men for a special Praise and Worship Service on Friday, March 13th at 7:00 p.m. Rev. Dr. Robert Young will be the guest preacher. The Sunday worship celebration will be held on March 15th at our 10:00 a.m. worship service with Rev. Gary Colter serving as the guest preacher. The theme for this year is “Embracing The Transformed Life.”

Congratulations to Sis. Lena Anderson for being selected as a Westchester County Trailblazer. She received the Betty Shabazz Humanitarian Service Award at the Black History Month and Our Trailblazers Award and Reception ceremony held on Thursday, February 27th at the Jay Heritage Center. We extend special honor to you Sis. Lena for your dedication and service to God, church, and community. You are truly a trailblazer and role model for others.

I recently started reading a book by Bill Hull entitled, *Choose The Life: Exploring a Faith That Embraces Discipleship*. He writes, “A man came to his pastor and said, ‘I just want to be a Christian. I don’t want to be a disciple. I like my life the way it is. I believe that Jesus died for my sins, and I will be with him when I die. Why do I have to be a disciple?’” Hull states that the answer you give to this question will reveal the gospel you believe. He argues that we have taught a non discipleship Christianity. This is the problem many modern day churches face because this is a faith that does not transform. He states the modern church has lost sight of Jesus as Leader. He further states, “The whole point of the gospel is to be transformed into the image of Christ.” Let us “Choose the Life”, a faith that includes discipleship and leads to transformation. Let us join the men in “Embracing The Transformed Life.” Romans 12:2 states, “And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God.” Our weekly devotional reading plans for this month will focus on discipleship and embracing the transformed life.

Join Bro. Michael Young and the dfree ministry group as they embrace a new look at personal financial management from a biblical perspective. They are studying from the book *Say Yes to No Debt* by Dr. DeForest B. Soaries, Jr. Dr. Soaries presents a four level strategy with 12 action steps to becoming debt free. The group currently meets on 2nd, 3rd, and 4th Sunday mornings at 9:00 a.m. during the Sunday School hour. Sometimes breaking chains of bondage requires not only knowledge and strategies, but also group effort and support. Experiencing deliverance from credit card debt and other forms of financial bondage can be one of your most liberating and life changing experiences. Join the dfree movement today!

We are doing a great work together: building hope, building relationships, and changing lives. We do all of this for God’s glory. **Remember our motto: “We’re all in this together, being the church God has called us to be.”**

EAT RIGHT

BITE BY BITE

National Nutrition Month®
March 2020

Academy of Nutrition and Dietetics

This year's theme — ***Eat Right, Bite by Bite***—supports the philosophy that every little bit (or bite!) of nutrition is a step in the right direction. Small goals/changes can have a cumulative healthful effect.

*The campaign, celebrated each year during the month of **March**, and it focuses on the importance of making informed food choices and developing sound eating and physical activity habits.*

WORKING CHURCHES

The Missionary Ministry of Bethel hosts the Working Churches of Westchester and Vicinity meeting each year for the month of February. After the meeting, the ministry is responsible for some type of program or presentation to celebrate Black History Month.

This year, our program Chairperson was Sister Barbara Andralliski. She and her committee planned an exciting program based on the theme: "WHO AM I?" Participants were: Sister Pam Coleman – represented Rebecca Lee Crumpler; Sister Jessie Tate – represented Dr. Patricia Bath; Sister Sheryl Franklin – represented – Thurgood Marshall; Sister Barbara Andralliski – represented Hattie McDaniel; and Sister Esther Johnson – represented Mahalia Jackson. The presentation was filled with audience participation that brought excitement to the whole afternoon. Each person who guessed the name of the famous person was given a gift.

At the end of the presentation, Mr. Joe Mosley unwrapped the gift of song and presented our Black History in a musical format. His presentation was also interactive. It was a time of singing, clapping and reminiscing about who we are and from whence we have come.

*"... We have come
Over a way that with tears has been watered;
We have come
Treading our path through the blood of the slaughtered;*

We are more than grateful to Sister Andralliski and her committee for an outstanding and informative Black History program. Sister Susan Harrison was also a part of this committee, however, she was unable to attend because of illness.

The meal that followed the program was absolutely de-li-cious!! To Sister Geneva Benton and the Culinary Ministry, another job well done! Our guests enjoyed the program and especially the meal which was reflective of our heritage.

CONGRESS of CHRISTIAN

The Congress of Christian Education Auxiliary to the Empire Baptist Missionary Convention of New York, Inc. sponsored the 88th Annual One-Day Retreat on Monday, February 17, 2020 in Saratoga Springs, New York. Excitement was in the air before 6:00 a.m. that morning because that was the time we boarded the bus in front of Bethel Baptist Church to commence our trip.

Most of us, on board the bus, decided to get in the sleep we lost from arising earlier just to make the trip. We had parishioners from Calvary Baptist and Star of Bethlehem traveling with us to Saratoga Springs. The bus was full. It was a gorgeous day for traveling. We arrived on time for the day's activities. Classes began at 10:00 a.m. after the General Assembly.

The theme: "Building Healthy Churches in The 21st Century" (Acts 11:19-26, Romans 12:1-5, 1 Corinthians 12:4-12, 1 Timothy 4:6-8) was carried out throughout the day in the various divisions and classes. Bethel was well-represented in more than five divisions of the Christian Education classes. The children's classes were held at the Holiday Inn and the Saratoga Catholic Central High School.

Our Superintendent, Sister Stephanie Christian, was responsible for all Bethel members in attendance. We are grateful to her for securing our transportation and all other plans executed for a successful day.

The closing worship service was scheduled from 2:00 – 4:00 p.m. with Rev. Dr. James R. Banks, II, Congress President presiding. Our own Pastor, Dr. Edward O. Williamson, serves as Dean and State Director. Rev. Dr. Johnny Ray Youngblood, Pastor of Mount Pisgah Baptist Church in Brooklyn, New York, brought the closing message. We left the Convention Center better than when we arrived. We thank God for a safe trip to Saratoga Springs, New York and back home to White Plains, New York! **"TO GOD BE THE GLORY!"**

THESE WOMEN ARE NOT BEHIND BARS BUT ARE IN PRISON!!

Kairos Outside NYC, chartered in 2009, is the local chapter of Kairos Prison Ministry International. Mass Incarceration, is defined and described in the New Jim Crow. *From 1970 to 2005 the number of inmates increased 700%. The U.S. has the highest incarceration rate in the world.* This Ministry is designed for women impacted by incarceration. Someone in their life is or was in prison. In many ways the families are “doing time” right along with the incarcerated. This ministry is also designed for women that were previously incarcerated.

JoAnne Edwards, Sharon Gilham, Yvonne Harris, Crystal Murray, Janice Robinson, Dr. Frozine Reece-Smith, and Stephanie Ward are members of Bethel Baptist Church and this Ministry. Each year Kairos Outside NYC offers two Weekends (Friday-Sunday) for women. These women referred to as “Guests” have an opportunity to get to know others that share similar concerns. The goal of this ministry is to provide a loving, supportive environment, while addressing Guest’s spiritual needs. A Team is developed that prepares for Guests and the upcoming Weekend. In order to form a Team, these Kairos volunteers meet for six Saturdays from 10am-4pm. *That Team will carry out the next Kairos Weekend, scheduled to take place May 15-17, 2020.*

Bethel Baptist Church members helped to make a memorable experience for Guests that attended the November Weekend. Pastor Williamson, Wallace McIver, Henry Mills, Lloyd Scrub, Leonard Hadley, David Coleman and Leonard Johnson immensely helped this ministry by loading and unloading Kairos supplies. Kairos refers to those that assist and volunteer their time as *Angels*.

It cost approximately \$15,000 to carry out these Weekends. *ALL expenses are covered by donations, Guests do not pay a fee. If you would like to make a monetary donation... please speak to Pastor Williamson or one of the members mentioned above. Donations can also be made to: Kairos Outside NYC, P.O. Box One, Larchmont, N.Y. 10538. Website: www.kairosoutsidenyc.org / kon-yc2009@gmail.com. If you would like to participate in this Kairos Ministry, in any way please speak with Pastor Williamson or Sharon Gilham shaham@optonline.net*

Missionaries “On The Move”!

As always, February is the month that is short but full of activity for African Americans. The Missionary Ministry gathered on the first Sunday (February 2), after service, for their group picture for the Pictorial Directory of Bethel. Since we are a rather large ministry, it was heartwarming to see everyone put forth the effort to wear or bring the official missionary ministry attire. We were thrilled to have Sister Evelyn Hudson join us for the picture. She has not been able to participate on a regular basis because of her illness. Also, with us was Sister Certulia Brice who has just recuperated from a recent illness. We thank God for their presence, as well as all other missionary members.
