eNotes From the Pastor's iPad: 

Themes:

July - "Discipleship and The Church"

August - Sabbath - Rest & Restoration

September - Transitioning: Preparing for Life and Ministry In A New Normal

October - Reset - Being The Church God Called Us To Be

Our vision:

To be the premier church in Westchester County serving as a beacon of hope for individuals, families, the community, and the world through our worship, our walk and our witness.

Our mission:

BBC - Building Hope, Building Relationships, and Changing Lives

Praise God from whom all blessings flow! For the Lord is good, His mercy is everlasting, and His truth endures to all generations. God has truly been good to our congregation through this season of adjusting to the impact of the COVID 19 pandemic. We have been a premiere church as we have made modifications and adjustments to the way we worship and do ministry as a congregation.

At the time of this writing, we are emerging from the restrictions implemented to stop the spread of the virus and limit its impact upon people and communities. We thank God for his grace and mercy. If it had not been for the Lord on our side leading and directing us through this crisis we don't know where we would be. Thanks to the officers, leaders, and members of our congregation who have prayed, worked together, and embraced the adjustments and changes we had to

make so that we could continue to worship, witness, and serve both God and community.

God put us on pause in order that we might reset. Now it is time to prepare ourselves to emerge into a new normal and become the church God is calling forth in a new season. This will not be as they were in the past. Isaiah 43:18-19 states, "Do not remember the former things, nor consider the things of old. Behold, I will do a new thing, now it shall spring forth; shall you not know it?" We must see the new thing!

Help, I'm Dealing with Death, Depression, and Devastation

Rev. Dr. Patricia Rickenbacker delves into the many destructive stages of death, depression & devastation. She also provided ways in which we can still live lives that glorify God as we ask Him to help us through the tough times that life can sometimes bring, while we seek counseling and prayer. Thank you Dr. Rickenbacker for sharing with us in such a personal level on a very difficult topic.

What a word! What a Word! What a Word!!

Our Spring Revival was much needed coming out of COVID 19. Thank God for the 3 anointed preachers and pastors who brought God's word nightly that blessed our souls. On the first night of revival, Rev. Daniel Blackburn kicked off the night with a powerful message followed by Rev. Nicole Gunns for the second night, and Rev. Dr. Vernon Shelton concluded our Spring Revival.

Our theme "Doing A New Thing!" sets the trajectory as we reset our mission for doing Ministry.

Toni Tweedy

Case Manager
YWCA White Plains & Central Westchester

Toni has been an employee of the YWCA for the past 16 years. Toni started working at the front desk as a Site Monitor. With the outpour of love she received daily from tenants, a new position at the YWCA was explicitly created for Toni to grow professionally as an ADL specialist. She worked beyond her expectations to ensure that all tenants could live independently and successfully at the YWCA Women's Residence. She later went on and got promoted to case manager, where she is currently carrying a caseload of 75 clients. Clients who meet with Toni describe their sessions as getting "Tonified" a term given to her by one of her dear clients.

Toni has been an inspiration to many of our women working diligently throughout the COVID-19 pandemic attending to our tenants in person to ensure that all their daily needs were met. Toni's strength, energy, resiliency, and work ethic have a life of its own, and she has touched the lives of each of our tenants unimaginably. Besides her role as a case manager, Toni is an upstanding member of the White Plains community, a servant of faith, a devout mother and grandmother, and an amazing role model.

eNotes from Pastor's iPad continued from page 1

We will not waste this crisis, we will embrace the opportunities that come with the new! With the crisis there emerged the opportunity to expand our worship, ministry, and mission beyond the walls of the church building. We are challenged to be the premiere church in a hybrid way, both physical and digital. We will be the church with two locations, one physical and one digital. Embracing this change will require us to make adjustments to become the church God is calling forth in this new season.

Let's work together over the next few months to continue our efforts of rethinking, reimagining, and redefining ministry in this new season. All are asked to join in prayer meeting and bible study sessions, leadership meetings, special training sessions, town hall meeting sessions, and other activities that will be implemented to help us reset as a congregation as we prepare to move forward. Jesus said, "New wine must be put into new wineskins, and both are preserved." Remember our motto: **"We're all in this together, being the church God has called us to be."** To God be the glory!

Singles Seminars – July 19th & 26th: Join us for our special Singles Seminar Series July 19th and 26th at 7:00 p.m. both evenings. We will also join in reading and sharing with singles through our weekly bible reading plans for remainder of the month of July.

Church and Community Back To School Fellowship and Outreach Effort – September 11th: We want to hold a fellowship and outreach effort to share love and resources with our community on September 11th. It will be a special fellowship and outreach ministry event held in conjunction with our September Mobile Food Truck Distribution day. Individuals, families, and ministry groups in the church can help by securing backpacks and other school supplies to distribute to youth and families in our community. Not only do we want to share resources, but we also want to share Jesus. Save the date and see how you can participate. Coordinator and contact person is Min. Latisha Robinson. Please share any ideas or request for involvement with her in order that this can be a well coordinated and effective ministry effort. Future details will be posted on the website and shared with the congregation.

Have a blessed summer!
