eNotes From the Pastor's iPad:

"Doing a Great Work Together - Building Hope, Building Relationships, and Changing Lives"

"For God so loved the world that He gave His only begotten Son,

That whoever believes in Him should not perish but have everlasting life."

Praise God from whom all blessings flow! For the Lord is good, His mercy is everlasting, and His truth endures to all generations. John 3:16 remains for me one of the greatest and most beautiful passages of scripture in the Bible. Those few words encapsulate the true extent of

God's love for humanity. The essence of Christmas is found in the love of God expressed in the gift of Jesus Christ for the salvation of the world. When we fully grasp the extent of God's love and sacrifice, we cannot help but respond to him in love and gratitude. We can also show love to others because the love of God has been poured out into our hearts. The love of God expressed on that first Christmas not only impacted those alive at the time of Christ but also continues to have an impact on the world today but will also continue to have an impact that extends into eternity. Remember, Jesus is the reason for the season. Share the love of God with family and friends this holiday season.

I recently preached a sermon from John 2:1-11 entitled "Being Open to New Things." The setting is a wedding in Cana of Galilee where Jesus and his disciples and the mother of Jesus were present. During the celebration, the wine ran out. At the urging of his mother, Jesus turned water into wine. When the wine was tasted, it was determined that the best wine was served last. This is the first miracle recorded in the gospels performed by Jesus. As we preparer to enter the new year, let us not forget to invite Jesus to share in the everyday events of our lives. When we are overwhelmed or faced with crisis, let us turn our problems and challenges over to Jesus. Above all, let us trust Jesus and do whatever he says. If we trust him and do what he says, we experience miracles and joy in the New Year.

CHRISTIAN EDUCATION WEEK
Building Bridges and Breaking Barriers Acts 11:19-26

Building Bridges and Breaking Barriers is the BBC theme for 2024 with Scriptural reference found in Acts 11:19-26 (NKJV). In an epic Christian Education collaboration Rev. Dr. Edward O. Williamson, Pastor-Teacher of Bethel Baptist Church and Rev. Erwin Trollinger, Pastor of Calvary Baptist Church united White Plains, New York to deliver a phenomenal Christian Education Trilogy focused on "Discipleship Matters". Rev. Eric Williams, Sunday School Publishing Board, Senior Director of Christian Education, encouraged us on Sunday, October 29th in Acts 3:1-10 to "Take Him by the hand". On Monday October 30th Dr. Williamson lead us in an in-depth and engaging discourse on intergenerational discipleship followed by a powerful presentation from Dr. Rodney Payne on Vision Connection. We journeyed to Calvary Baptist Church on our final evening to receive instruction from Rev. Trollinger in a continuation of discipleship and service then Rev. James Furman ran an amazing anchor leg edifying us on evangelism and discipleship. "We can't be an effective evangelist without first being a disciple" I encourage you to visit our YouTube Channel &/or Facebook page to view these 3 days of transformational Christian Education.

National Pastor APPRECIATION Month

Pastor Appreciation Day, on Sunday, October 8th, 2023, was a wonderful surprise that underscored the profound connections within the congregation, especially in celebrating the invaluable leadership and guidance of Pastor Williamson. Despite the geographical distances, the eMembers of the church showcased an unparalleled spirit of unity and gratitude. Through Zoom, eMembers showed their love for Pastor Williamson's unwavering dedication and compassionate

service. As Pastor Williamson looked upon the digital presentation of gratitude and love, it was a poignant reminder that the spirit of togetherness and appreciation knows no limits, thriving and flourishing in all areas of the church, whether in person or virtually.

DR. ERROLD D. COLLYMORE, SR. -D.D.S.

HONORED in the Overture at Brookfield Commons in White Plains

Dr. Errold D. Collymore, Sr. - D.D.S., 'Westchester's Fighting Dentist' - Fought for Justice and Change.

On November 15, 2023, the White Plains Community honored Dr. Errold D. Collymore, Sr. at The Overture at Brookfield Commons Community Room with a Plaque Dedication Ceremony.

Known as "Westchester's Fighting Dentist", a brief history of Dr. Collymore's advocacy was given by Lena Anderson, Past President of the White Plains/Greenburgh NAACP Branch. An Invocation was delivered by Rev. Erwin Lee Trollinger, Jr., President of the Ministers Fellowship Council of White Plains and Pastor of Calvary Baptist Church. Valerie Simmons, a retiree of the White Plains Housing Authority and Life Long Winbrook Community Member introduced the guests and was the Mistress of Ceremonies. Remarks by Mayor Thomas M. Roach and Rev. Dr. Tyrone H. Robinson, Pastor, First Community Baptist Church vitalized the program before the unveiling of the plaque by James L. Collymore, Dr. Collymore's son, and Brian Wallach, a long-time friend and supporter.

Dr. Collymore was unafraid as a consistent fighter for justice, and this recognition is well deserved and long overdue.

In a sermon he delivered in 1944, Dr. Collymore challenged our community of faith, "Here we have a veritable oasis of faith. Let us continue to build; - let us try to make it grow so that its example in brotherhood and faith in the essential decency of man might spread across the land and usher in the good life even beyond where we can see "far down the futures broadening way".

The Bethel Family was represented by Rev. Dr. Edward O. Williamson, Rev. Dr. Frozine R. Smith, Lena Anderson and Jonette Mines, pictured here with son, James L. Collymore and White Plains Housing Board of Directors President, Nicholas Wolff.

One of his greatest White Plains Civil Rights achievements was "making way for five nine-story buildings with 450 apartments that eventually housed hundreds of black and white families. Dr. Collymore was the catalyst to build decent, safe, low-income housing built in White Plains in the late 1940's known as the "Winbrook Housing Development a.k.a. "The Projects).

Originally, the White Plains "city fathers" had agreed to the location, cost, size, and budget for the housing project. But then they decided that they'd rather build a new post office on the site and postpone the building of the needed housing and relegate it to a less-desirable location. In 1948, Dr. Collymore and other black leaders were outraged at this, and Dr. Collymore wrote a letter directly to then, President Harry Truman. President Truman wrote back and told the "city fathers" that he was directing them to keep to their original agreement. The housing project went ahead as originally planned. The White Plains Winbrook apartment complex was built between March 1949 and August 1950 at a cost of \$5,500,000.00. The name WINBROOK was derived from the two streets, the first 3 buildings (33 Fisher Ave., 11 Fisher Ave., and 225 Grove Street/ MLK Jr.) were constructed on, WINchester and BROOKfield Streets.
