HAPPY NEW YEAR!!!

2025 Theme: "Building Bridges and Breaking Barriers"

Emphasis: "A Time to Build"

Scriptural Foundation: Nehemiah 2:17-18; Ecclesiastes 3:1-3

Praise God from whom all blessings flow! The Lord is good, His mercy is everlasting, and His truth endures to all generations. I am filled with excitement as we begin the new year. As I write this article for our first quarterly

e-newsletter for this year, I am filled with gratitude for the officers, leaders, and members who continue to work together to enable us to be the church God is calling us to be. Before moving forward, I extend special thanks Bro. Jemal, Rev. Deb and all those who contributed articles for this edition. Please read each article to see how we have let our light shine since the last edition of eLights of Hope.

We thank and praise God for bringing us through our many challenges as a church family last year. Our church family worked together to overcome those challenges and to continue to pursue our vision, mission, and ministry to be a beacon of hope to individuals, families, the community and the world. We especially thank you, Bethel family and friends, for the financial support that enabled us to achieve our sacrificial pledge campaign and budget goals. We give God all the praise and the glory for the great things He has done!

Welcome from County Executive Kenneth W. Jenkins

Dear Neighbors,

Hi, I'm Ken Jenkins and I am thrilled to be serving as Westchester County's 10th County Executive. Westchester is more than just where I serve – it's my home for the past 43 years. It is where I have dedicated my life to public service, and I am personally invested in making this County a destination where all people can thrive and succeed.

Located just north of New York City, our mass transportation system can get you into the heart of Manhattan in less than an hour, but we are far enough away to maintain our peaceful tranquility. In all of its beautiful diversity, our County offers bustling cities, hometown villages, nationally-accredited parks, and places that are deeply rooted in our nation's history.

We serve as home to an immensely talented workforce and a population of over one million people, with headquarters for U.S. corporations and Fortune 500 companies like IBM, Mastercard, Morgan Stanley and Regeneron. We boast a best-in-class public school system, along with a multitude of higher education institutions. Residents and visitors alike can enjoy cultural art exhibits, unique dining experiences and more.

Our mission is to give Westchester County's residents the effective, forward-thinking government they deserve, at a cost everyone can afford. As County Executive, I promise to work closely with the Westchester County Board of Legislators and other local officials to do the very best I can for all of you.

I hope you will join me in celebrating Westchester for all that it has to offer – a unique tapestry of people, places and cultures that when blended together, create the County we all love to call home.

Please contact me directly with any ideas, questions or concerns you may have at . I can't wait to hear from you.

Sincerely,

Kenneth W. Jenkins

"Our service members and veterans chose to put service before self. That ethos extends beyond their years in uniform. Many of our veterans continue to serve their communities after serving their country and

enrich our democracy as leaders, teachers, coaches, mentors and more,"

Just wanted to share some pictures of the yoga program. We are making such great progress connecting the mind, breath, and body to make the poses "easier". It truly is a joy to watch their confidence grow! They all balanced in tree pose with a duck on their head and discovered they are stronger than they think they are when they tried "L" shape with their bodies ! Enjoy your evening and thank you for all that you do to make these programs happen!

eNotes from Pastor's iPad continued from page 1

This is a milestone year for our church family. We will be celebrating our church's 140th Church Anniversary. Our emphasis for the year will be a time to build. In Nehemiah 2:17-18, Nehemiah returned to Jerusalem to rebuild the walls of the city. After assessing the situation, he shared with the people the situation and his need to rebuild the walls; he shared that the hand of the Lord was with him. The people responded by being willing to work. Ecclesiastes 3 reminds us of times and seasons. We are in a season of building. It is a time to build.

We need everyone to join us in this season of building. We are establishing a Strategic Plan Development Team under the leadership of Bro. Mike Young that will work with church leaders and members to develop a strategic plan to guide our congregation for the next 3-5 years. Sis. Tina Mays has stepped up to lead in the reorganization of the Women's Ministry and serve as the chairman of our Annual Women's Day Celebration to be held on March 16th.

Thom S. Rainer writes, "Membership is not having your name on a roll...Ultimately, membership is about belonging and contributing. We belong to a local community of believers. And we are expected to be a contributing and serving part of that community." Rainer observes that "meaningful membership" is an element of churches that have chosen to change instead of die. We want to encourage all our members to pursue meaningful membership by becoming part of a small group or ministry in order to grow and serve. Remember our motto: **"We're all in this together being the church God has called us to be."**

Peace and Blessings,

Dr. Edward O. Williamson, Pastor-teacher

Christmas Service

On December 22, 2024, the Youth, Children, and Praise Team of Bethel Baptist Church displayed Jesus' birth story through song, dance, and worship. They rendered their voices and gifts

unto God, inviting the congregation to worship Christ the Savior. Worship and praise filled the house as scriptures were read and a recitation was recited. We were also blessed to hear the scripture recited in Spanish. Digital Christmas cards and blessings were projected and we were all blessed by the Bethlehem story, expressed through worship.

Watch Night Service

A Night of Reflection and Renewal

As the final hours of 2024 ticked away, members and friends of Bethel Baptist Church and the community gathered not with party hats and noisemakers, but with hearts full of reflection and anticipation. The annual Watch Night Service, a tradition steeped in history and hope, proved once again to be a powerful and moving way to usher in the new year.

The evening began in the welcoming embrace of the Christine Mitchell Fellowship Hall. There, a spirit of warmth and camaraderie filled the air as attendees enjoyed light finger foods and beverages. It was a time for shared smiles, heartfelt conversations, and the comfortable connection that comes from a community bound by faith. This relaxed fellowship was a beautiful precursor to the more solemn, spiritual journey that awaited them.

As the clock approached 10:00 PM, the atmosphere subtly shifted. The congregation, filled with anticipation, made its way into the sanctuary. The transition was seamless, from the joyful chatter of fellowship to the hushed reverence of the sacred space.

The service commenced with a poignant and deeply moving memorial. Acknowledging the losses of the past year, the congregation paused to remember those individuals who had transitioned in 2024. It was a time for quiet reflection, offering solace and strength to those grieving while honoring the lives lived and legacies left behind.

Following this heartfelt remembrance, the Deacons and Deaconesses took the lead, guiding the congregation in a period of devotional worship. The familiar comfort of Scripture, the power of collective prayer, the uplifting melodies of songs, and the vulnerability of personal testimonies wove together a tapestry of faith and hope. It was a time for spiritual renewal, for grounding oneself in the enduring strength of their shared beliefs.

The highlight of the evening was undoubtedly the meaningful word and sermon delivered by our Pastor-Teacher, Dr. Edward O. Williamson. His message resonated deeply with the congregation, offering guidance, inspiration, and a renewed sense of purpose as they stood on the cusp of a new year. His words served as a beacon, illuminating the path ahead and encouraging them to embrace the challenges and triumphs that awaited.

Finally, as the clock struck midnight, the congregation united in prayer, collectively offering their hopes, dreams, and aspirations for the year ahead to the divine. This shared moment of prayer, on the threshold of 2025, was a powerful symbol of unity and faith, a testament to the enduring strength of our community.

The Watch Night Service was more than just a gathering; it was a ritual of reflection, renewal, and hope. It was a reminder of the importance of community, the solace of faith, and the promise of new beginnings. As the congregation departed, they carried with them not just the memories of the evening, but a renewed sense of purpose and a faith-filled heart ready to embrace the new year.

7 DAYS OF PRAYER & CONSECRATION

A "7 Days of Prayer and Consecration" refers to a dedicated period of intense prayer and spiritual focus, usually lasting for seven days, where

individuals set aside time to deepen their relationship with God by actively dedicating themselves to His service through prayer, fasting, and studying scripture, essentially "consecrating" their lives anew to God's will.

Men's Tailgate Fellowship

Men's Ministry Tailgate Football Fellowship

The Men's Ministry of the church recently hosted a fantastic Tailgate Football, Fun, and Fellowship event for the men of the community, and it was a grand success. The event was a great opportunity for men to come together, share their love for football, and build meaningful connections. The day was filled with laughter, camaraderie, and friendly competition, making it an enjoyable experience for all in attendance.

One of the highlights of the event was watching NFL Redzone, which showcased certain teams in the red zone, about to score. The excitement was palpable as the men cheered for their favorite teams, hoping to see them put points on the board. It was a thrilling experience, and many were elated when their teams scored, while others were disappointed when their teams fell short. However, the mood remained upbeat, and everyone appreciated the unifying power of sports.

The Tailgate Football, Fun, and Fellowship event also provided a platform for the men to engage in meaningful conversations about their favorite teams. It was a chance to share their knowledge, opinions, and strategies about the game, promoting a sense of community and belonging. The event was a great reminder that sports can bring people together, regardless of their differences.

Moreover, the Men's Ministry's commitment to creating a welcoming and inclusive environment for all men from the church and community was commendable. The event was an excellent example of how the ministry is working towards building a stronger community by fostering relationships and creating opportunities for men to connect with one another.

In conclusion, the Tailgate Football, Fun, and Fellowship event was a resounding success. The event not only provided an opportunity for men to come together and enjoy their shared love for football, but it also highlighted the importance of building relationships and creating a sense of community. By promoting a positive atmosphere, the Men's Ministry has created an event that will be remembered for years to come. Here's to many more successful events in the future!

Annual Men's Day

Theme: "Faithful Men Teaching Other Men"

II Timothy 2:2

This year's Annual Men's Day was a powerful and uplifting experience, marked by an inspiring sermon and the recognition of two dedicated members. The event, a time for fellowship and spiritual growth, featured Rev. James A. Furman of Mt. Zion Christian Baptist Church of Mt. Vernon, NY, who delivered a compelling message centered on the need for faithful men within the community.

Drawing from the scripture of II Timothy 2:1-3 (NKJV), Rev. Furman's sermon, titled **"A Call for Faithful Men,"** urged attendees to be strong in Christ Jesus and to carry out their responsibilities in accordance with the Lord's will. He emphasized that God's calling is always accompanied by divine grace. "God doesn't call you to an assignment without giving you the grace you need to handle that assignment," Rev. Furman declared. "He will not leave you on your own, but will give you what you need to do, what you need to do. It is God's grace!" This message resonated deeply, encouraging the men present to embrace their roles with confidence and reliance on God's support.

The service wasn't solely focused on spiritual guidance, however. This year's event also marked a significant moment in honoring those who exemplify unwavering dedication and service. In a joyous ceremony, the first ever "President's Award" was presented to two outstanding individuals: Brother Tommy Bouyer and Brother Lenny Hadley. These men were celebrated for their consistent support and for their tireless contributions to the ministry, setting a high standard for others to follow. Their recognition served as a tangible example of the principles preached by Rev. Furman – faithfulness in action.

The presentation of this award underscored the importance of putting faith into practice through service and commitment. It served to highlight the invaluable contributions of ordinary individuals who quietly, powerfully, and consistently support their ministry. Brother Bouyer and Brother Hadley were applauded not only for their past efforts but as a source of inspiration for others to step forward and make a difference in their own way.

The Annual Men's Day event, through its compelling sermon and heartfelt awards, successfully reinforced the vital role that faithful men play in the community. It emphasized that strength in faith, coupled with dedicated service, creates a powerful force for positive change and offers a pathway for faithful living. The message of "A Call for Faithful Men" and the recognition of Brother Bouyer and Brother Hadley resonated far beyond the proceedings, leaving a lasting impact on all who were present. The event served as a challenge and encouragement to embrace their God-given responsibilities with grace and unwavering dedication.
